Pay-It-Forward House Perpetual Needs

The following items are consumables the House ALWAYS needs.
We update this list periodically to reflect our current shortages.
Our greatest needs are at the top of the list.

MOST URGENT NEED(S)

- Regular and diet soda pop
- Toilet paper

FOR THE GUESTS' ENJOYMENT

- Bottled water
- Individual cans of V-8 or other juices
- Small packages of dried fruit (apricots, raisins, etc.)

(Please note: Individual size is really important to avoid waste.
Also, adults don't seem to like juice boxes, so please buy juices in bottles or cans)

FOR THE GUESTS' COMFORT

- Dryer softener sheets (fragrance free and dye free)
- Dishwasher detergent (liquid)
- Small and tall waste basket garbage bags
- Paper towels

FOR THE OFFICE

- Copy paper
- Postage stamps

FOR THE GUESTS' PEACE OF MIND

- Phone cards in \$10.00 denominations (When a guest is running out of cell phone minutes, we give them a card to reduce their stress level!)
